

RUGGED MINI SSD

Rugged Mini SSD

High Speed. High Portability. Every Project.

Small enough to roam, rugged enough to last.

Durable, fast, and portable — LaCie Rugged Mini SSD takes your project from capture to backup in no time. With USB 20 Gbps technology, it delivers future-proof read speeds up to 2,000 MB/s. Plug-and-play connectivity with Mac, Windows, iPad, and iPhone via USB-C streamlines workflow. Plus, its rugged design is built for an active lifestyle — take it anywhere.

- USB 20 Gbps (USB 3.2 Gen 2x2) technology helps you tackle file transfers in no time — thanks to read speeds up to 2,000 MB/s¹.
- Durable IP54 design with dust and water resistance, perfect for wherever you roam.
- Get premium performance thanks to system compatibility with USB 40 Gbps, USB 20 Gbps, Thunderbolt 4 and Thunderbolt 3.
- Quick connections out-of-the-box thanks to USB-C connectivity with Mac, Windows, iPad and iPhone.
- Three-metre drop and one-tonne car crush resistance² for extended durability.
- Small enough to toss in your bag, big enough to take all your memories on the road.
- One-month complimentary membership to Adobe® Creative Cloud® All Apps Plan³ for access to amazing photo and video editing apps
- Backups are a breeze with easy-to-use LaCie Toolkit software for on-demand backups of your files.
- This product contains a minimum of 30% recycled materials for eco-minded backup. (Recycled plastic and aluminium measured by weight.)
- Enjoy long-term peace of mind with the included three-year limited warranty protection plan featuring Rescue Data Recovery Services⁴.

design by neil poulton

¹ Performance may vary depending on the host device, interface, usage conditions and other factors

² Determined by a test that approximates a real-world scenario in which the hard drive remained functional, despite aesthetic damage, after the product was driven over by an approximately 1 tonne car (1,000 kg/2,205 lbs).

³ One-month membership to Adobe Creative Cloud All Apps plan is redeemable during product registration. Must redeem within one month of drive registration. Not available in China. For country list see <https://adobe.ly/cc-countries>. Internet connection and Adobe ID required. Available to users 13 and older. See www.adobe.com/legal.html for applicable terms and privacy policy.

⁴ Rescue Data Recovery Services not available in all countries.

List of LaCie External Drives Compatible with Cameras

This article provides a list of LaCie drives that are compatible with cameras and accessories.
